chasing SENSUALITY

THE CONCEPT OF THE WILD WOMAN HAS OFTEN BEEN PRESENTED AS AN ARCHETYPE—MYSTERIOUS, UNTAMED, SET APART. BUT I BELIEVE SOMETHING SIMPLER, AND MAYBE MORE RADICAL: SHE IS NOT RARE.

SHE IS NOT RESERVED FOR THE FEARLESS OR THE FREE-SPIRITED.

SHE LIVES IN THE EVERYDAY WOMAN —MAKING LUNCHES, BUILDING CAREERS, GRIEVING QUIETLY, STARTING OVER, LONGING FOR MORE. WILDNESS AND WONDER ARE WHAT WE WERE BORN HOLDING, BEFORE SHAME, EXPECTATION, AND CONDITIONING LAYERED OVER THEM.

SENSUALITY

The concept of the Wild Woman has often been presented as an archetype—mysterious, untamed, set apart.

But I believe something simpler, and maybe more radical:

SHE IS NOT RARE
